

Dear Weedsport Central School District Community,

September 2023

We are writing to provide you with an important update regarding the ongoing search for the next Superintendent of Schools for the Weedsport Central School District. As many of you are aware, our current Superintendent is preparing for a well-deserved retirement, and the Board of Education has been diligently engaged in the process of identifying a highly qualified individual to assume the role and guide our district into a promising future.

This is a pivotal moment for our school district, as the Superintendent plays a crucial role in shaping the educational experiences of our students and the overall direction of our educational community. We are committed to ensuring that we select a candidate who possesses the skills, experience, and dedication necessary to continue the legacy of excellence we have built in Weedsport.

As we approach the stage of identifying finalist candidates, we believe that community input is invaluable in this important decision-making process. Therefore, we would like to offer interested community members the opportunity to be considered for participation on the Community Stakeholder Committee. This committee will play a key role in reviewing candidates and providing feedback to the Board of Education.

If you are interested in being considered for the Community Stakeholder Committee, we invite you to complete the registration form found here: [Community Stakeholder Interest Form](#)

Once you access the form you will be able to see the dates and times required to participate. Please note that participants will need to be available for both days to be eligible to serve on the committee. The deadline for submission is Wednesday, September 20, 2023.

Please be aware that this registration link is intended for parents and community members who are not employed by the school district. Our search consultant will collaborate with staff leadership to establish committees that represent the diverse perspectives and expertise within our school district. These committees will play an integral role in reviewing candidates and providing valuable input to the Board of Education. We believe that including diverse perspectives from our community, educators, and students will help us make an informed decision that aligns with the needs and aspirations of our district. If you are a student, faculty member, or staff member interested in participating in these committees, please stay tuned for further information from your building principals or staff leadership. Your active involvement is highly valued, and we encourage you to seize this opportunity to help shape the future leadership of our district.

We want to express our gratitude for your continued support of the Weedsport Central School District. Our shared commitment to the success and well-being of our students remains unwavering, and together, we will select a Superintendent who will carry that commitment forward. Thank you for your cooperation and active participation as we work through this transition. If you have any questions or require further information, please do not hesitate to reach out to us directly. Your engagement is highly valued, and we look forward to collaborating with you in the search for our next Superintendent. Thank you for being an integral part of our Weedsport Central School District community.
